

JWJ-8HH, 8" HELICAL HEAD JOINTER, 2HP, 1PH, 230V

718250K

It's time to skip the hand tools and graduate to the JET JWJ-8HH 8" long bed jointer. This beast boasts a helical insert cutterhead with staggered carbide inserts, yet its 2HP motor runs quietly and smoothly. Its front-mounted table adjustment handwheels make quick, easy and accurate corrections. The two-way tilting fence with positive stops at 45° and 90° makes bevel operations smooth. Extra-long heavy-duty cast iron infeed and outfeed tables with precision-machined finish allow jointing of longer boards without tipping. Best of all, it comes by JET's industry-leading 5 year warranty.

FEATURES

- Helical cutterhead with indexable carbide inserts for a superior finish and quieter cut
- Extra-long, heavy-duty cast iron infeed and outfeed tables with precision machined finish
- Large chrome handwheels and easy-to-reach locks make table adjustments less of a hassle
- Tall, rigid fence provides added support
- Two-way tilting fence with positive stops at 45° and 90° to handle bevel operations
- Dual position magnetic controls provide long life and reliability, protecting the motor from potential electrical supply issues
- Built-in 4" dust chute connects to your collection system for efficient dust/chip disposal
- Fence adjustment levers are conveniently located in the center of the fence for quick access
- Powerful 2HP motor easily handles the toughest jointing tasks
- Heavy-duty, one-piece steel closed stand includes mounting tabs for increased stability

JET RED ASSURANCE 5-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
